\*\* All sports and categories listed are tentative and may be subject to change/cancellation. Sports, not listed here, may be added. For additional information visit our website.

The Maccabiah Games, an international sports competition, are held every four years in Israel. It is one of the top three gatherings of athletes in the world! In 2022, over 10,000 athletes proudly represented 80 countries. Our main goal is to assemble top level Jewish athletic talent to compete in the Games.

To be eligible to tryout all athletes must first submit an on-line athlete application.
